**Two distinct, aspirational legacy  
brands joining forces under one roof.**

The Villeroy & Boch Group is the definitive choice for your full bathroom specification, offering unparalleled advantages for developers and undeniable appeal for end-consumers.

Our brand benefits from quality, craftsmanship, and design appeal across Europe and beyond, which directly enhances the marketability and value of your developments.

#### Villeroy & Boch

A 277 year legacy of craft and culture. Committed to the highest quality standards, achieved through engineering and craftsmanship. A broad offering with various aspirational design styles and individualisation options.

#### Ideal Standard

Designed for Performance. Renowned for partnerships with leading European designers, delivering innovative products that not only look great but also perform across all areas of bathrooms and washrooms.

# Leading innovation in ceramics and fittings

From Villeroy & Boch's artistry in ceramics, established in 1748, to Ideal Standard's revolutionary ceramic cartridge, we deliver cutting-edge solutions.

From innovative flush technology to cutting-edge ceramics

Sustainable solutions reducing environmental impact, promoting eco-friendly choices

Designs focused on comfort, safety and convenience for enhanced user experiences

Innovation Centers in Mettlach, Germany (ceramics) and Wittlich, Germany (fittings). Over 300 engineers

## Innovation is part of our DNA

**TWISTFLUSH**  
2021 - Most efficient flushing technology with water vortex.

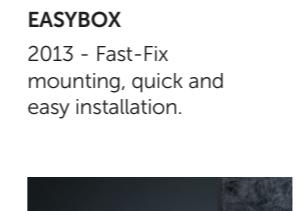

**TITANCERAM**  
2015 - For thin, delicate designs yet strong and robust.

**ALU+**  
2023 - 84% recycled aluminum, 100% recyclable, no chrome, no nickel.

**ViCLEAN**  
2014 - Shower toilets with minimalist, elegant design.

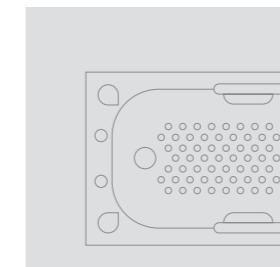

**EASYBOX**  
2013 - Fast-Fix mounting, quick and easy installation.

**ONE PIECE BATH TUB**  
1902 - The first one piece bathtub.

**SKID-RESISTANT BATH**  
1965 - The first skid-resistant bathtub.

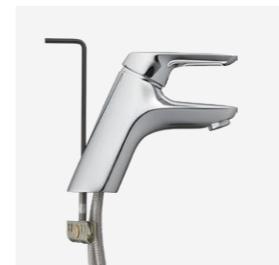

**CERAMIC DISC**  
1969 - Invention of ceramic disc cartridge.

**RIMLESS TOILET**  
1979 - The rimless toilet.

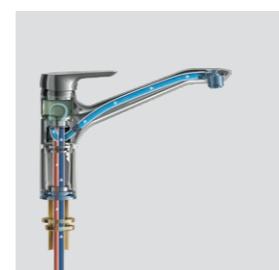

**TOPFIX**  
1990 - Introducing TopFix, an industry first for faster & easier installation.

**CLICK TECHNOLOGY**  
2000 - Invention of water-saving Click technology & cartridge.

**IDEALBLUE®**  
2011 - Launch IdealBlue® technology for increased water hygiene & saving.

**AQUABLADE®**  
2015 - Aquablade launched offering the best superior flushing, even at low water volumes.

**DIAMATEC®**  
2017 - Our revolutionary ceramic allows us for the first time, to manufacture very fine, thin, straight edges but still extremely strong.

**MARKWIK**  
2007 - Intelligent infection control in hospital settings with the launch of Markwik.

**FIRMAFLOW®**  
2016 - FirmaFlow® was introduced, our most durable cartridge.

**INTELLIMIX**  
2020 - Launched Intellimix®, with breakthrough soap cycle.

Villeroy & Boch

Ideal Standard

A Seamless Experience from  
Inspiration to Realisation

## Expert guidance, inspiration and support

---

Design & Specification Centres in London,  
Milan, Paris, Berlin, Athens, and Dubai

---

Easy-to-access and easy-to-use tools and  
configurators for effortless planning

---

Singular Configurator for  
large-scale projects

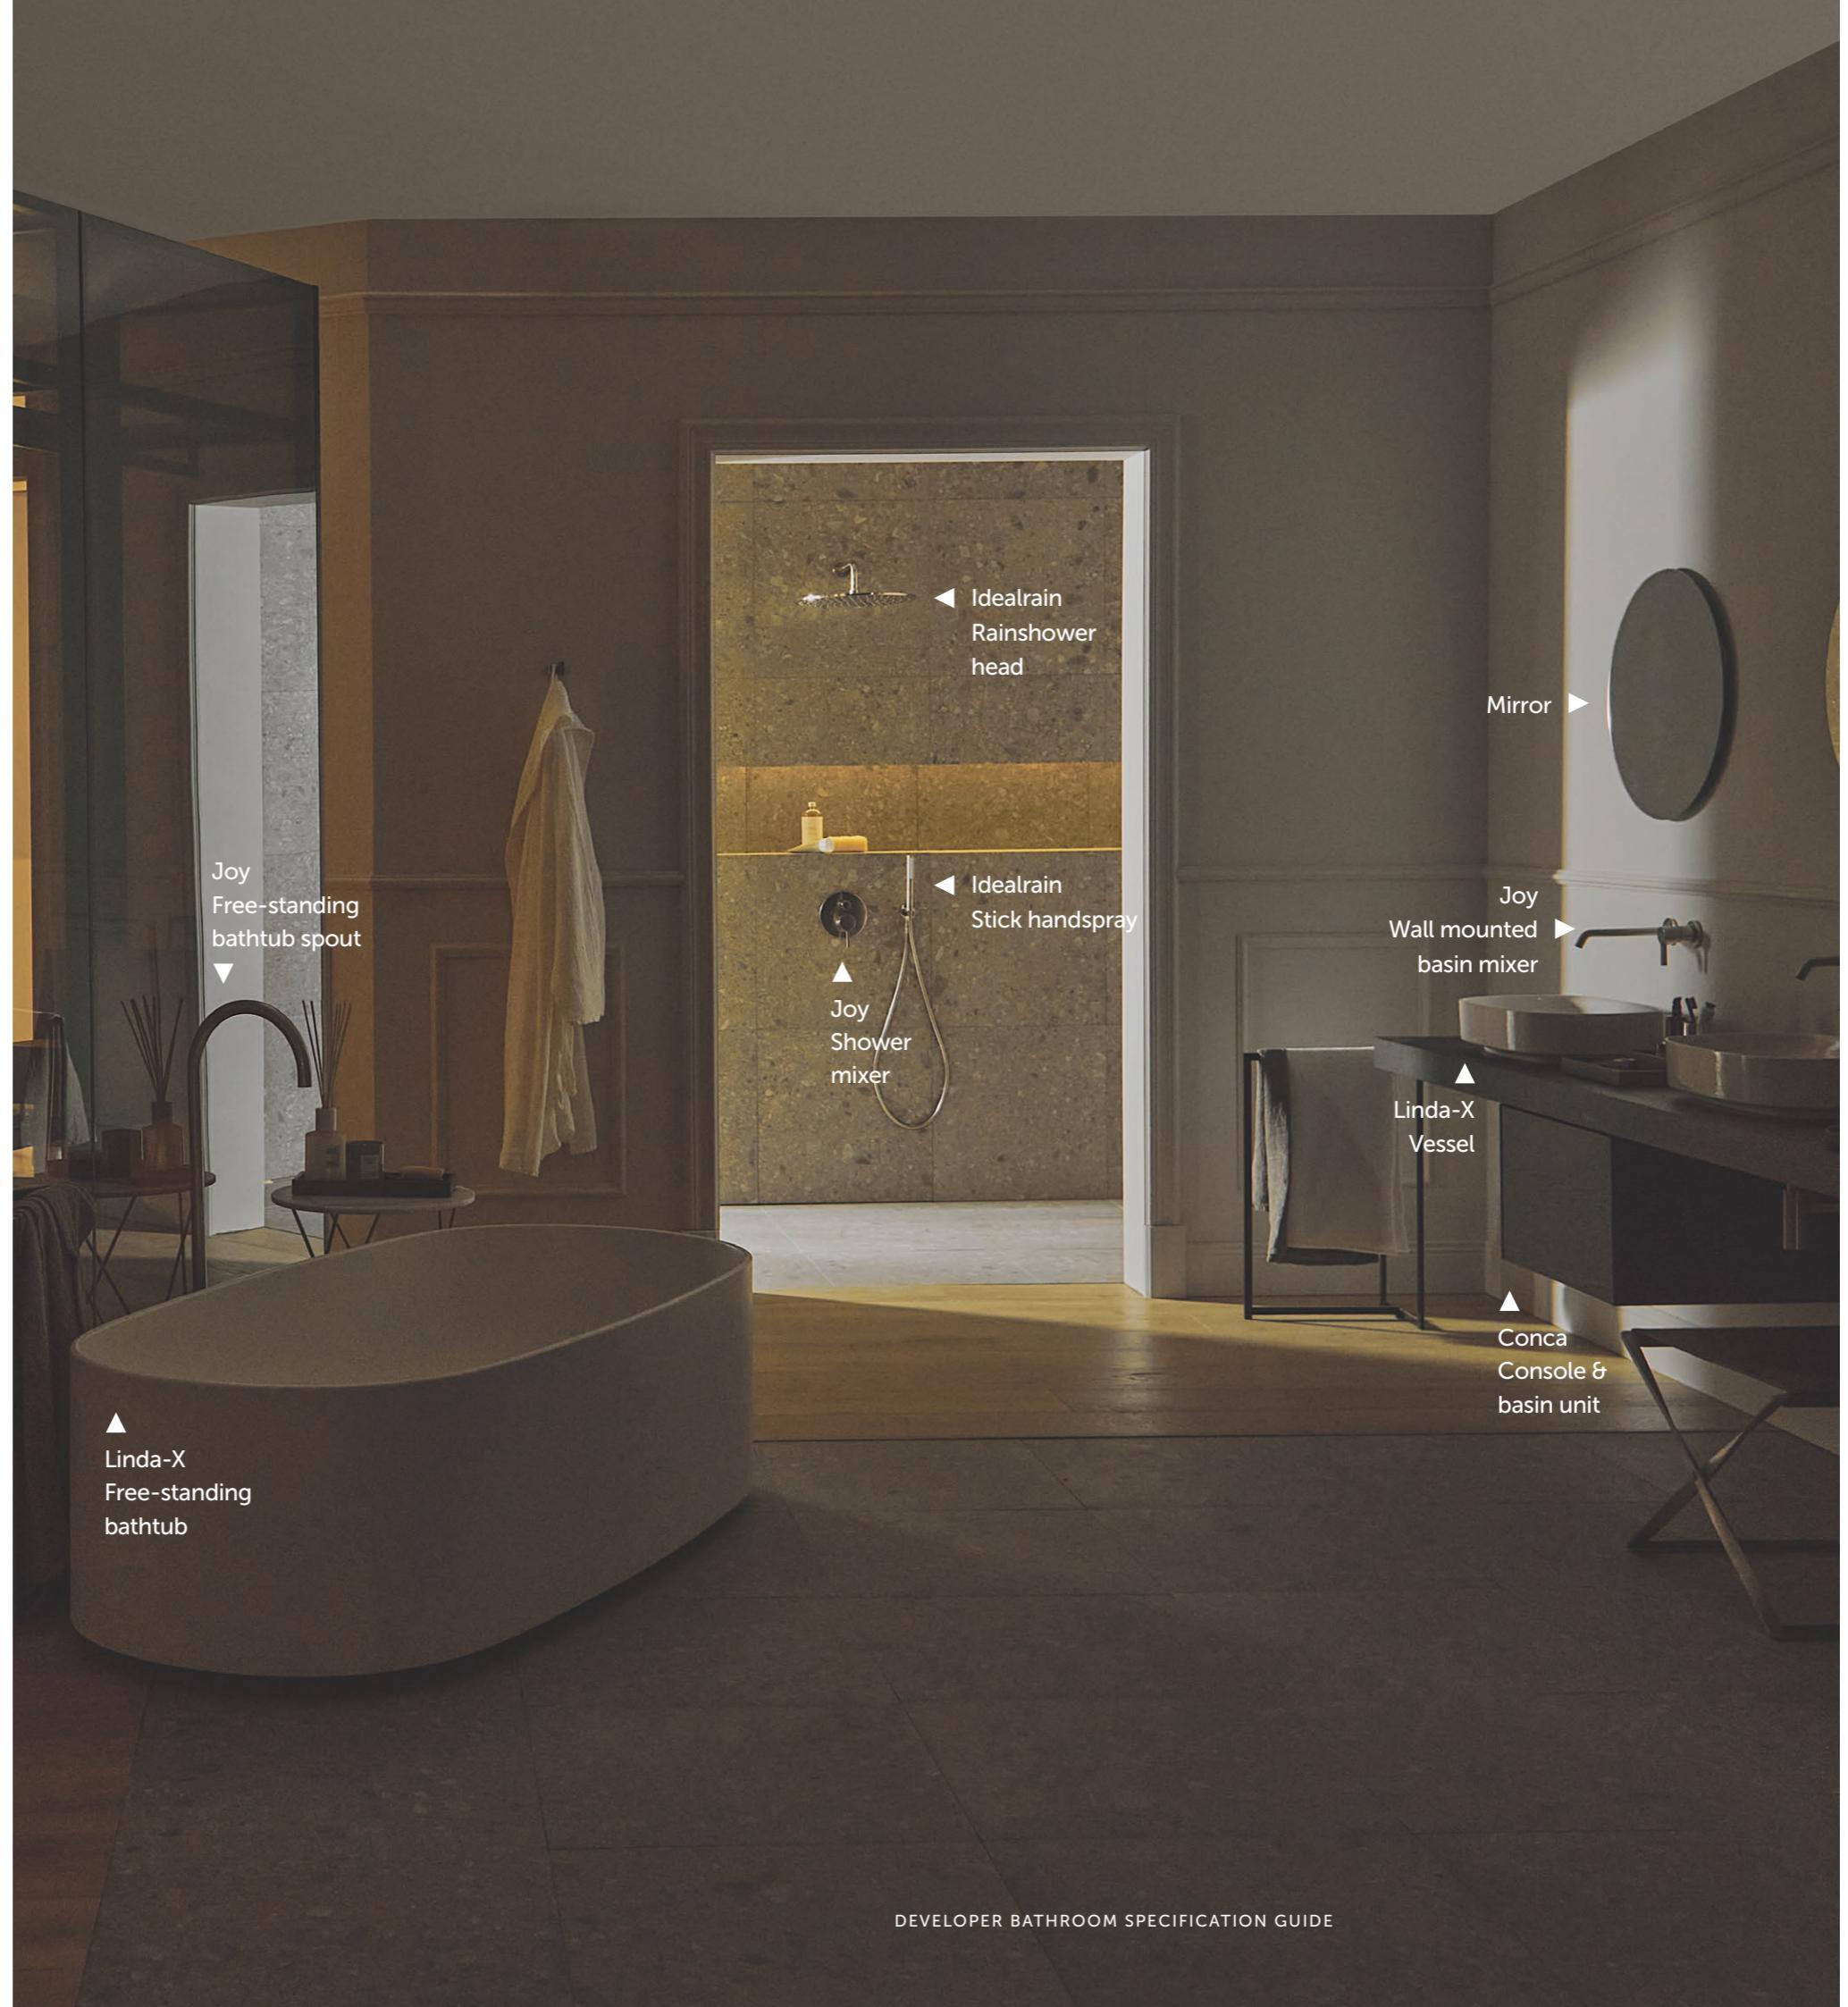

---

Where it  
all comes  
together.

From inspiration to installation, Singular™ is our end-to-end journey for creating cross-category solutions.

It's built on our understanding of customer and sector needs, and brings together our specification expertise, design and performance to create solutions that make life easier for everyone.

# TwistFlush®

## Powerful performance. Perfectly clean.

### MORE POWER. LESS BRUSHING.

Villeroy & Boch's TwistFlush uses vortex power: eliminating stains and reducing the need for a brush. Effortless hygiene, maximum efficiency.

### REDUCED WATER CONSUMPTION.

Delivering powerful performance with just 3/4.5L per flush, TwistFlush meets EN997 standards and saves up to 19,700 litres of water per year for a family of four.\* Efficient, sustainable, and smart.

Thanks to seamless integration, TwistFlush can be used with Antao, Subway 3.0, Universo, Skyla, Architectura and O.novo, offering powerful, hygienic flushing across all styles and price points.

### UNCOMPROMISING CLEAN.

TwistFlush ensures an almost 100% surface clean, while CeramicPlus repels dirt and limescale. Antibac prevents 99.9% of bacteria growth for a fresher, easy to clean bathroom.

### TWISTFLUSH INNOVATION. TIMELESS EXPERTISE.

TwistFlush ensures powerful, reliable flushing for a fresher bathroom with less effort. Backed by Villeroy & Boch's ceramic heritage, it blends innovation with classic design.

# Quaryl®

## Beauty for eternity

The very first touch is mesmerising. Feeling silky smooth and pleasant on your skin, Quaryl® bathroom products provide the perfect setting for wellness moments. And the design makes a lasting impression too. Find inspiration with timeless clear and precise shapes made possible thanks to Quaryl®. Robust surfaces and durable quality complete the perfect experience. Discover comfortable Quaryl® baths and shower trays and enjoy precious moments in your bathroom.

### DURABLE AND ROBUST

Shockproof, scratch-resistant and UV resistant with a 10 year guarantee

### EASY TO CLEAN AND HYGIENIC

Smooth, non-porous and closed surface making it quick and easy to clean

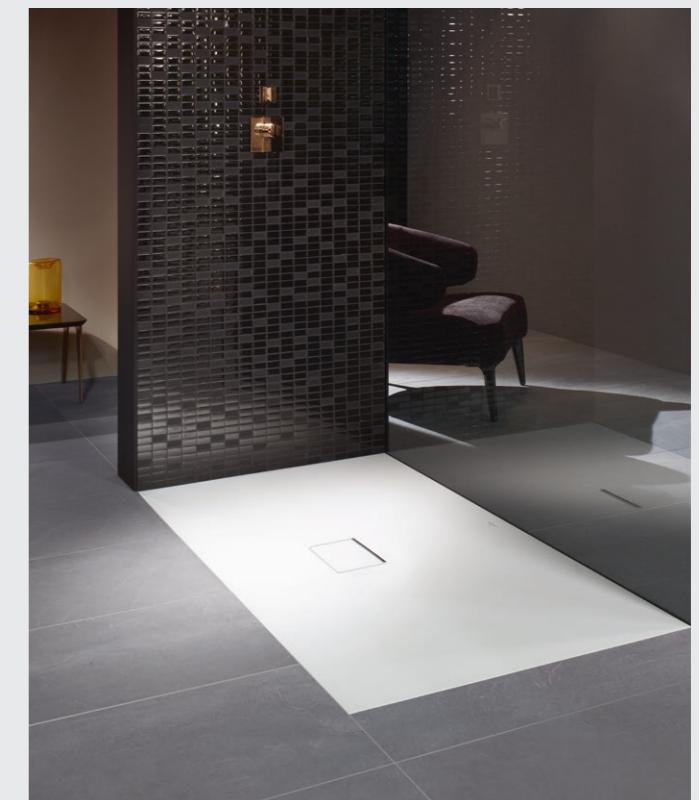

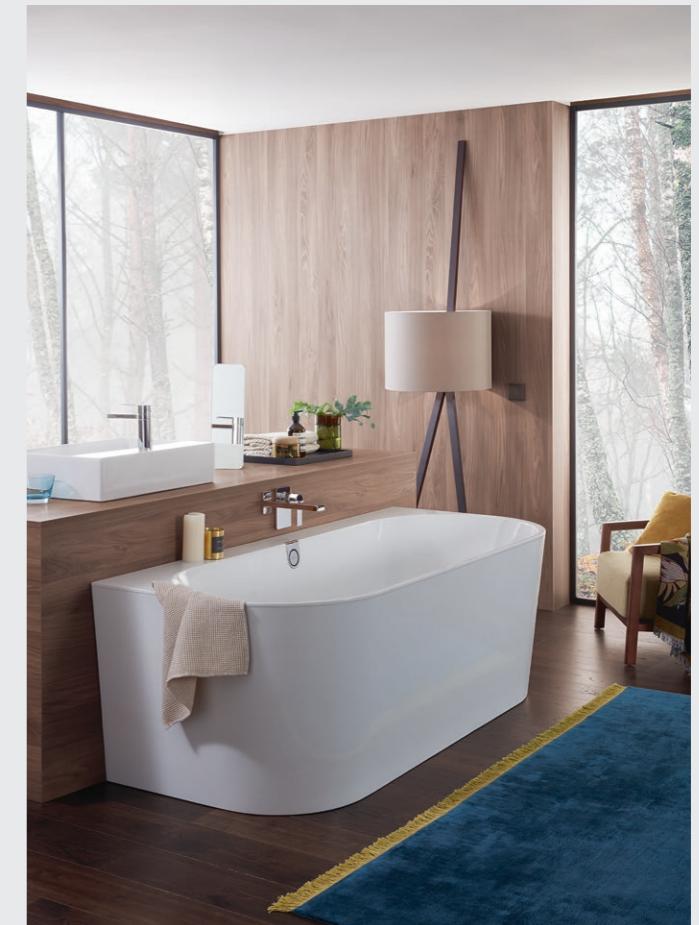

### VERSATILE AND PRECISE

Exceptionally delicate shapes with precise edges  
Perfect for flush-fitting installation (whirlpool nozzles)

Available in a range of glossy and matt colours

### COMFORTABLE AND SAFE

Excellent thermal insulation keeps the bath water warm for longer  
Highest slip resistance (TÜV-LGA tested) for matt Quaryl® surfaces

# FirmaFlow®

## Engineered to last.

We pioneered the ceramic disc cartridge in 1969 and this innovation redefined the way people used bathrooms and made it possible to create the single lever tap.

As the ultimate development of the original ceramic disc cartridge, some 50 years on, FirmaFlow® is an undisputed market leader with its innovative engineering and extraordinary powers of durability, comfort and control are achieved for twice as long as the industry standard.

# HydroTwist®

## Superior cleanliness, maximum efficiency.

### UNMATCHED VORTEX POWER

HydroTwist® technology delivers a high-performance flush that exceeds European standards, ensuring reliable performance every day.

### WATER-SAVING EFFICIENCY

Engineered for optimal water use, HydroTwist® delivers a flawless clean with just 4.5 litres per flush. Its innovative design maximises every drop to save water without compromising performance.

HydroTwist®  
TECHNOLOGY

HydroTwist® sets the standard for hygiene and efficiency by channeling water into a powerful vortex. This innovative flushing technology delivers pristine bowl cleaning in one swift flush while conserving water and reducing environmental impact.

### FLAWLESS BOWL CLEAN IN A SINGLE FLUSH

HydroTwist®'s powerful water force ensures a thorough, residue-free wash, eliminating the need for a second rinse.

### EASY TO CLEAN

HydroTwist®'s completely rimless design, with no overhanging rim makes cleaning effortless. Its smooth, open design allows for a fast and thorough clean in a single motion.

## We design and engineer our faucets and showers in Germany.

They're made of state-of-the-art materials, including dezincification resistant & stress corrosion resistant DZR Brass, high tech zinc-diecast and high performance polymers.

## We're pioneers in the acrylic industry since 1986, exporting to more than 45 countries worldwide.

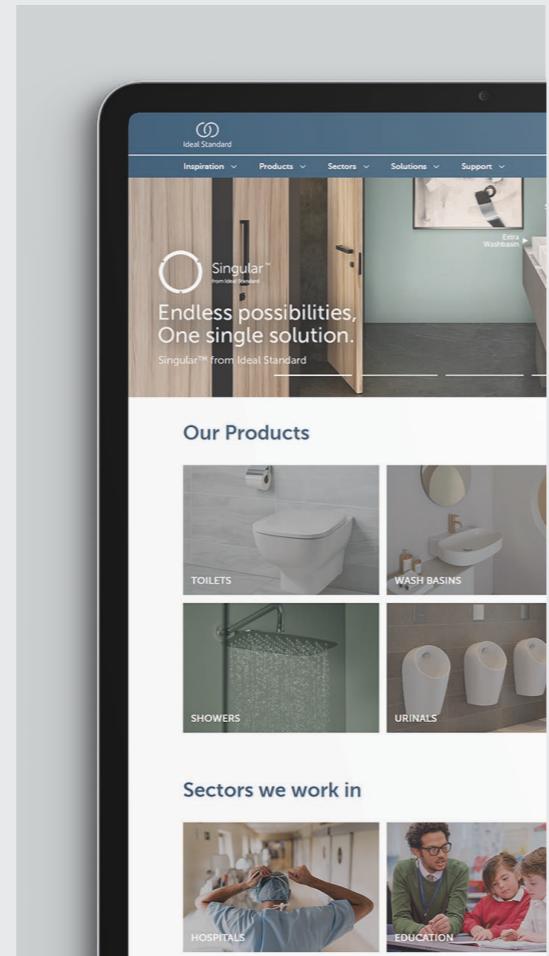

Our UV resistant, highly durable materials ensure colour stability, longevity and prevent bacteria proliferation. All our products have a 25-year guarantee and are NF certified.

# Specification & design support

## An interactive specification system unique to Villeroy & Boch Group.

We provide the most comprehensive specification support services of any sanitary ware manufacturer in the UK.

All co-ordinated by a dedicated, experienced and highly knowledgeable Residential Sales Team including KAMs who know the residential sector inside out.

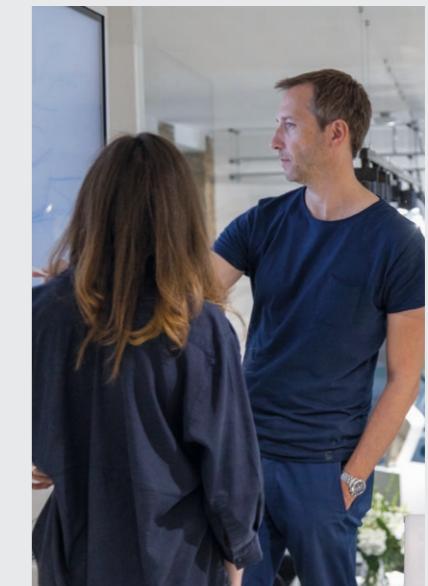

## The Design and Specification Centre is a unique space and resource centre for architects and interior designers.

An experienced team is available to offer practical advice in the planning and designing of bathrooms and washrooms for any project from luxury hotels to offices and residential properties.

The London Design and Specification Centre provides a relaxed, sales-free environment where you can experience products hands-on, explore different planning options and get practical help with regulations and budget planning.

There is a meeting room to bring your clients to, as well as an area where rooms can be mocked-up for you. We also host a programme of CPD presentations and features on relevant subjects throughout the year. And of course, there's good tea and coffee.

Located in the heart of London's Clerkenwell, it showcases our latest products and innovations and provides inspiration, information and space to research.

## Leading the way in BIM

Winner presented at BIMobject® LIVE 2020 [world.bimobject.com](http://world.bimobject.com)

We are consistently one of the most downloaded brands in the UK in terms of BIM objects.

In fact Ideal Standard was named "Most Downloaded Brand" for the second time in four years at the 2020 BIMobject Awards.

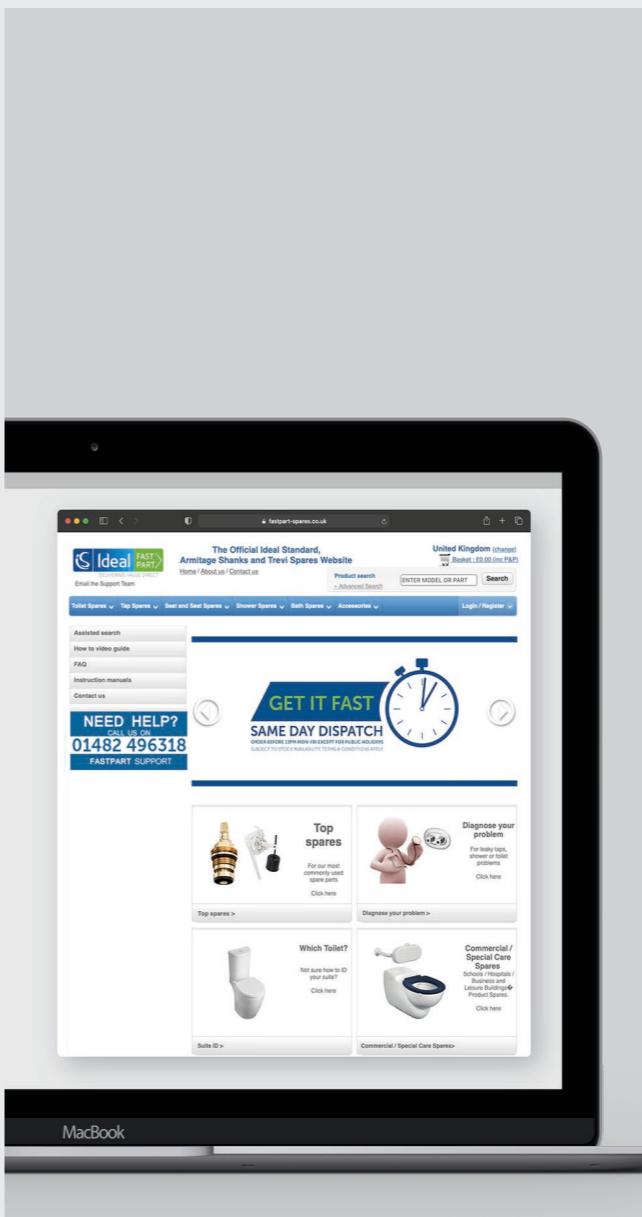

These can be downloaded in a variety of formats ranging from PDF datasheets to dedicated project specifications output in NBS clause format.

**Our UK based customer teams provide developers access to our extensive knowledge and experience in water delivery.**

Our installation customer care is unrivalled. Our technical teams including engineers, are available on-line, on the phone or when required on-site in person, to advise on the care and maintenance of products before, during and after installation.

**Our commitment to customer care extends well beyond initial sale.**

Our dedicated Fastpart-Spares.co.uk site allows specifiers and consumers rapid access to spares ordering 24/7. Plus, support and advise on spares selection is available by phone or email.

## Villeroy & Boch Group receives EcoVadis Platinum Medal

The Villeroy & Boch Group has been awarded the EcoVadis Platinum Medal, the highest distinction in the globally recognized EcoVadis sustainability rating.

EcoVadis evaluates companies across 21 criteria in four core areas: Environment, Labour & Human Rights, Ethics, and Sustainable Procurement.

The assessment is based on globally recognised standards and provides companies with a data-driven analysis of their sustainability performance.

With an overall score of 85 out of 100, the Group ranks among the top 1% of more than 130,000 companies assessed worldwide.

Particularly high scores were achieved in Environmental Responsibility and Labor & Human Rights.

Initiatives include energy efficiency measures in production, investments in workplace safety, leadership development, and social audits to ensure human rights and ethical standards in the supply chain.

## Water saving solutions for new build homes

The Villeroy & Boch Group have a wide range of water efficient product which can help you build a more sustainable home.

Inline with OFWAT guidance, we can support you in creating a specification that 'not only looks good and is high quality, but is also good for the environment'.

Basin mixers are pre-fitted with flow regulating aerators, **reducing water usage** to a maximum of either 3.8LPM or 5LPM without compromising the performance of the tap.

Wide range of close coupled wcs available with 4/2.6 litre dual flush systems. We also have **reduced flush concealed cisterns** available for all back to wall or wall hung pans.

We offer a comprehensive range of **water saving baths**. Available in both acrylic and steel.

Capacity is reduced without compromising the shape and size of the bath.

We can supply showers with flow regulators, **reducing water** flow to as low as 6 litres per minute.

# Platinum Cloakroom Specification

## SUBWAY 3.0

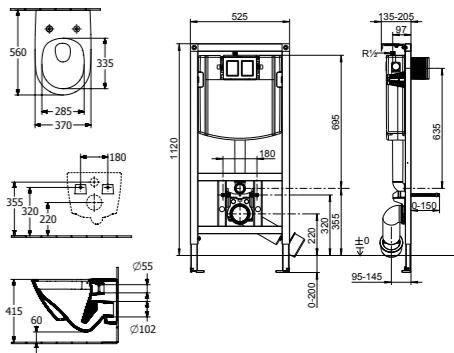

## Platinum Specification - Cloakroom

### SUBWAY 3.0 WC WITH VI-CONNECT FRAME & FLUSHPLATE

MODEL	SKU
Subway 3.0 wall hung toilet with Twistflush technology	4670T001
Subway 3.0 toilet seat and cover, slow close	8M42S101
Vi-Connect 1120mm height, wall hung WC frame, 135 depth, front actuation	92092900
