E1486	Mixed Material
E0508	Toughened Safety Glass
A5901	Chrome Plated Metal

Designer

Robin Levien, RDI

Standards

Constructed to EN 198:2008. EN 14516

Special Notes

Consideration should be given to safe hot water delivery and the use of an appropriate temperature reduction device, see A5901AA or Part G for guidance. One taphole fittings require offsetting from the overflow. Check positioning and compatibility before specifying. Dedicated front panel and bath screen are unhandled.
